GRASS LAKE SUBDIVISION:

Residents in Grass Lake are reminded to remove vehicles & camping units from road ways and ends of dead-end streets to allow for grading and snow plowing.

THE NEW TOWNSHIP HALL ADDITION will provide new storage room for documents and election equipment, a storage room for the tables and chairs and an office for Clerk and Treasurer. This will promote safety of documents, removal of some liability issues & provide office hours. The Hall will hopefully be completed in December 2023.

ROUND LAKE DRAIN ASSESSMENTS: A year ago the Township was notified that a grant was received to alleviate the expense to our residents. However, in 2023 the Drain Commissioner decided to use the grant towards all drain work in the county, so all townships are being assessed as the grant no longer covers all the expenses for clean-up and repairs. Those in the drain area are being assessed. This is NOT an assessment on all our residents.

The Township Board wishes you a safe and enjoyable winter season. **Merry Christmas and Happy New Year!**
